0R040F

	100% Polyester Knitted Softshell Outer Layer
	Bonded Microfleece Inner Layer
	315g/m ²
	Pack 1
	Carton 12
Marketing description (short)	Russell's Smart Softshells are smart looking, bonded 2-layer softshells - softshells WITHOUT a membrane, providing a higher degree of breathability.
Marketing description (long)	Our smart softshells give you the comfort and breathability of a fleece with the chill protection and smart appearance of traditional softshell. A Teflon-branded water repellent finish even provides protection against drizzle and a wipe-clean finish. With their high level of breathability, our 2-layer SmartShells keep the wearer warm when they're not moving, and dry when they're physically active. They're perfect for anyone who works indoors or in semi-sheltered areas - where they offer protection against wind and chill.
Decorator Notes	Suitable for all standard decoration methods.

- Durable Water Repellent Du Pont™ Teflon® Coating
- Two layer softshell material without membrane
- 2 zipped pockets
- Inside-out zippers
- Cadet collar
- Drop tail
- Protection against wind and chill
- Higher degree of breathability
- Microfleece lining
- Back neck tape
- Bound inside seams on zip
- Headphone access
